The Deluxe room is a spacious 32 sqm with a range of modern amenities. It also offers Club Rooms and Suites. The latter include a separate master bedroom and living room, bath tub, and walk-in closet. Both rooms offer access to the Club Lounge where guests can enjoy additional perks and privileges which are particularly attractive to long stay guests doing business with the many firms that are based in the booming city.

Opening in the next few months is the Presidential Suite, a Chinese restaurant and Seda's signature Straight Up roof deck bar that will offer expansive views of the Quezon City skyline.

Seda Vertis North is one of the centerpieces of a dynamic Ayala Land mixed-use community envisioned to be the premier business and commercial district of Quezon City. The estate is easily accessible from Edsa and North Avenue and includes Ayala Malls Vertis North, offices, and residential buildings.
